

AB Kiosk

Automated Breathalyzer Kiosk (AB Kiosk): is a secure, autonomous alcohol screening system that can completely automate sobriety testing as well as other Court mandated programs such as Huber work release, probation check-in and pre-and post-trial services.

24 Hours/7 Days a Week /365 Days a Year Check In:

ENTER DOOR #2 Located in the East Parking Lot.

Minimal Fee: with the option to deposit more funds in your account.

The Kiosk does not dispense change— any and all money deposited above the fee will be credited to your account.

Cash and/or debit/credit card accepted.

You will need to “sign-in” the first time you access the Kiosk.

Following your initial registration, your follow-up check-ins will be less time consuming.

There will be a series of questions you will need to answer.

IE: Updates to address, employment, phone number, living arrangements or instructions to report to the probation office.

The AB Kiosk incorporates a fingerprint and photo for identification purposes.

Your fingerprint will be obtained during your initial registration.

Your photo will be obtained by the machine every time you report.
